

Eyewear Acknowledgement

By signing this acknowledgement I understand the following about my glasses order.

1. No full refunds once the order has been placed.*
2. It is my responsibility to have my glasses Rx filled in a timely manner and that any eyeglass recheck, after 45 days from the date of prescription is a billable office visit.
3. I have 45 days from the original order date to have lenses remade for Rx changes or lens non-adapt, but not refunded.
4. If I use my own frame and it breaks, Holt Eye Care and Draper Eyewear are not responsible for the replacement.
5. There is a \$20 fee for use of any outside frame not purchased from Holt Eye Care or Draper Eyewear.
6. Polycarbonate or Trivex lenses are recommended given their safety benefits; being more impact resistant than other materials.
7. I understand delivery time is subject to many variables and may not be the date specified.
8. We will hold completed orders for 90 days, after that time period we may return your order to the lab. If this does occur there will be a refund* sent back.
9. We will bill your insurance as applicable, however, you are ultimately liable for any fees and cost of services not covered or paid by your insurance. Questions about any non-payment should be directed to your insurance company.
